Statehouse Happenings

Summer break is formally underway for our Ohio legislators. June was a short month but a busy one. They held committee meetings during the first two weeks only but conducted almost as many hearings as they would in an entire month.

NEW LEGISLATIONS IN JUNE:

In the House there were 11 bills, 23 resolutions, and 1 concurrent resolution. A total of 35 new pieces of legislation.

In the Senate there were 14 bills and 36 resolutions for a total of 50.

There was a total of 85 new pieces and of those only 6 were veteran/military related.

There were two bills and two joint resolutions that will not be covered in the following report on hearings. The two identical resolutions are HJR 9 and SJR 10, both introduced last month. They are the joint resolutions that propose an amendment to the Ohio Constitution to require electors to provide identification (ID) to vote, in accordance with laws passed by the General Assembly. HJR 9 had two hearings in May and one hearing in June. SJR 10 had only one committee hearing in May and then in June it had two in the senate and two in the house. On June 3 the senate adopted the resolution (22-9) and on June 10 the house did the same (62-30). It was then sent to the Ohio secretary of state to be placed on the November ballot.

The two bills were HB 959 and SB 450. The identical bills will make capital appropriations for the biennium ending June 30, 2028. Kimberly Murnieks, Director of Ohio Office of Budget & Management provided the initial testimony for both bills on June 2. There was no further hearing for HB 959, but SB 450 moved rapidly through the process. On June 3 it passed out of committee and passed on the senate floor the same day (31-0). In the house it passed out of committee on the second hearing (29-0) and then on the House floor (95-3). It was signed by the governor on June 15 and takes effect on July 1.

Hearings Held for Veteran/Military Legislation

June 1-8

Tuesday morning the House Veterans and Military Development Committee met and held hearings for five bills. The first was House Bill 452 for its third hearing. There were no witnesses or testimony for the bill that would designate October 1st as "761st Tank Battalion Day." It was introduced by Representatives **Cecil Thomas** (HD-25) and **Merideth R. Lawson-Rowe** (HD-5) in September. A motion was

made to favorably pass the bill out of committee and was unanimously passed (10-0).

The next bill was Senate Bill 253, a bill also introduced in September that would designate February 20th as "Black Ohioan Civil War Medal of Honor Recipient Day." Sponsor testimony was provided by Senators **Hearcel F. Craig** (SD-15) and **Michele Reynolds** (SD-3). They told the members of the committee that there were three black Ohioans who were presented the Medal of Honor for their heroic actions at the Battle of Chaffin's Farm, also known as New Market Heights, when the officers leading several companies of the 5th United States Colored Troops were killed or wounded during a fierce assault on heavily fortified Confederate positions. In that moment, First Sergeants James H. Bronson, Robert A. Pinn, Powhatan Beaty, and Sergeant Major Milton Holland stepped forward and assumed command.

Reps Reynolds & Craig

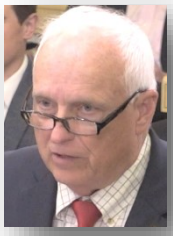
Following SB 253 was HCR 42 for its first hearing. Testimony was given by Representative **Bernard Willis** (HD-74) and written testimony was provided by Representative **Steve Demetriou** (HD-35) who was unable to attend the meeting. The two sponsored the bill and introduced it in May to urge Congress to honor the sacrifices of our nation's veterans by supporting their access to quality and timely health care by passing the Veterans' Assuring Critical Care Expansions to Support Servicemembers (ACCESS) Act, referred to as the Veterans' ACCESS Act of 2025 (S. 275, H.R. 740). Willis explained the purposes of the federal bills and the effect they would have on veterans in Ohio and everywhere.

Rep. Willis

Next was the third hearing for HB 632. The purpose of the bill is to allow a driver's license and a state identification card to indicate that the licensee or cardholder is a Gold Star Family member. It was introduced in December by Representative **Kevin Ritter** (HD-94). Proponent testimony was given by the Gold Star parent of army Specialist Christian Ward, a crew chief on a Blackhawk dust off team who was killed in 2019 during a training accident at Fort Carson following his one-year deployment. Also giving testimony in support of the bill was an Ohio Survivor Outreach Services coordinator.

The final bill on the agenda was HB 785, introduced by Representatives **Ty D. Mathews** (HD-83) and **James M. Hoops** (HD-81) in March. It would authorize the state to enter into an enhanced lease agreement, with a private entity, to utilize unproductive and unused state real property and empower a board of trustees of a state university and the Adjutant General to lease land. It also names the act the Advancing Strategic State and Military Asset Efficiency and Transformation (ASSET) Act. There were three individuals who provided testimony –two in person and one written.

At 11:00 on Tuesday the House Transportation Committee met to hear sponsor testimony on Sub SB 280. Senator **Terry Johnson** (SD-14) introduced his bill in October to allow for the registration of a high mobility multipurpose wheeled vehicle manufactured for military purposes, commonly known as a Humvee. It passed in the senate on May 20 (30-0).



Sen. Johnson

At the same time, in the Senate Workforce Development Committee HB 292 had a fourth hearing. The bill was introduced by Representatives Ty Mathews and **Nick Santucci** (HD-64) in May of last year and passed in the house (82-10). The bill would establish the Ohio Defense and Space Advisory Commission and the Defense and Aerospace Industries Expansion Program, under which the Department of Development may make grants. The members of the committee heard from four individuals –three in favor and one against the bill and they had written testimony from 2 proponents and 5

A look at what the bills say... In a Nutshell

Summaries from the Office of Research and Drafting

This bill was introduced in January and has not had it's first hearing yet in the House Workforce and Higher Education Committee.

The sponsor is C. Allison Russo (HD-7) and her bill would amend the Ohio National Guard Scholarship Program to provide protection and financial flexibility for Guard members.

House Bill 660-

The Summary & Analysis

As Introduced

SUMMARY

▪ Permits an Ohio National Guard scholarship recipient who failed to complete their term of National Guard enlistment due to joining the U.S. armed forces to defer scholarship repayment until the earlier of the completion of their service or ten years.

▪ Releases a scholarship recipient from liability to repay the scholarship after completing their service in the U.S. armed forces if they return to the Ohio National Guard to serve the remainder of the enlistment required for the scholarship within ten years after their enlistment, warrant, commission, or appointment to the armed forces.

DETAILED ANALYSIS

Under continuing law, an Ohio National Guard scholarship recipient is liable to repay a prorated amount of the scholarship if the recipient fails to complete the term of National Guard enlistment, re-enlistment, or extension of enlistment that the recipient was serving at the time the scholarship was received.

The bill permits a scholarship recipient who is liable for repayment due to enlistment, warrant, commission, or appointment to an active duty or reserve component of the U.S. armed forces to defer repayment of the scholarship until either the completion of their armed forces service or ten years after the enlistment, warrant, commission, or appointment, whichever occurs first.

Under the bill, such a scholarship recipient is no longer liable to repay the scholarship if all of the following occur:

1. Less than ten years have passed since the recipient's enlistment, warrant, commission, or appointment to an active duty or reserve component of the U.S. armed forces;

2. The recipient has completed their terms of service to the U.S. armed forces; and

3. The recipient returns to the Ohio National Guard and serves for the remainder of the duration of the enlistment required under the scholarship.

opponents.

In the afternoon the Senate Education Committee held the second hearing for House Bill 500. It was introduced by Representatives Ty Mathews and Ritter in October to designate a JROTC or NDCC program offered by a school district as a career-technical education program. It cleared the house with a 93 to 0 vote in February. There was no testimony provided for the bill.

Wednesday afternoon the members of the Senate Armed Services, Veterans Affairs, and Public Safety Committee received written testimony only—all proponent -for SB 416 and HB 464. Both bills were having their second hearing. Senator **Thomas F. Patton** (SD-24) introduced SB 419 in April to establish that a school board member on active duty in the armed forces is not absent from a school board meeting if the member attends the meeting remotely.

House Bill 464 was introduced in September and passed out of the house in March (97-0). Representative **Tracy M. Richardson** (HD-86) sponsored the bill to exempt a family child care provider certified by any branch of the U.S. armed forces, including the U.S. Coast Guard, from the Ohio law governing the regulation of child care providers, including the requirement that certain family child care homes be licensed by the Department of Children and Youth (DCY) in order to operate in Ohio.

In the Senate Small Business and Economic Opportunity Committee members heard proponent testimony from two individuals speaking on behalf of Senate Bill 348. The bill was introduced by Senators **William P. DeMora** (SD-) and **Louis W. Blessing, III** (SD-8). They also received written testimony from two other witnesses. The purpose of the senator's bill is to require certain liquor permit holders that are authorized to sell beer or intoxicating liquor for on-premises consumption to have date rape drug testing

devices available for their customers' use. They introduced the bill this past February.

June 8-12

The house only had one hearing for vet/mil legislation this week, although they did keep busy with hearings for SJR 10 and SB 450. The only bill was Senate Bill 218 in the House Children and Human services Committee on Monday afternoon. Senator **Kristina D. Roegner** (SD-27) Introduced the bill last year in June and it was passed by the Senate in May with a 31-0 vote. This was the first hearing for the bill and testimony was offered by Roegner and one other as well as one written –all proponents of the bill. SB 218 is a companion bill to Richardson's bill HB 464 *(see above)* that was introduced in September and had four hearings with no opposition in the same committee before being passed by the house 97-0 in March. Because of that, a motion was made to favorably pass the bill out of committee and it passed 13-0.

Sen. Roegner

Tuesday morning in the Senate Workforce Development Committee HB 292 was back for a 5th hearing. There was written only opponent testimony from four individuals, but there was not anyone to give oral testimony. A motion to favorably passed the bill out of committee was passed with a 6 to 0 vote. The next day it passed on the senate floor 33 to 0 and then in the house 86 to 7.

In the afternoon Patton's SB 416 had its 3rd hearing but there were no witnesses of any kind for the members of the Senate Armed Services, Veterans Affairs, and safety Committee.

It was different for the members of the Senate Finance Institutions, Insurance and Technology Committee. The second hearing for House Bill 332 had two witnesses who gave oral testimony and six who had submitted written only testimony. The bill would create the Small Defense Business Linked Deposit Program for the purpose of lending money to eligible small defense businesses, including their subcontractors, at a rate below the present borrowing rate. It would also add that newly created program to the administrative requirements in the statutes also governing the continuing Adoption Linked Deposit Program, Agricultural Linked Deposit Program, Small Business Linked Deposit Program, and Home Improvement Linked Deposit Program. It was introduced in June 2025 by Representatives Ty Mathews and **Mark Hiner** (HD-98) and passed in February with a vote of 88-5 by the house.

In The Summer Months

After the busy two-week period, our elected members of the Ohio General Assembly began their summer break. According to the General Assembly's website calendar the House is due to return the week following the November General Election while the senate is scheduled to have committee hearings two times in September and again in October.

When they return they will be in a lame duck session, and they will all be working hard to get their bills passed before the Christmas break begins. The 136th General Assembly term will end on the last day of December, and any bill not passed by then will die.

Our legislators will still have staffers in their offices. They will be answering phones, reading letters and emails and communicating with their bosses. The work goes on even though the committees will not be having hearings. If you need to contact your elected official you can still do it in the usual way.

Much of the next four months will be used to campaign. In the house every seat is open and, in the senate, all odd number districts have open seats for a total of 116 seats. Of those 116 seats there are 76 incumbents that are running for reelection. There are 6 seats that only have one person running and 18 seats have more than two candidates. Two seats have a write-in candidate. There are 111 Democrats, 110 Republicans, 10 Libertarians, and 10 Independents.

You will have until Tuesday, November 3, 2026 to decide who you will vote for. Do your homework; the 137th General Assembly is in your hands.
